

Faith Community Free Family Program Information and Guidelines

When your family arrives at Faith Lutheran Church please check in at the check in table located in the parking lot. Face coverings are mandatory for everyone ages 5 and older for the duration of the program including during check in. Hand sanitizer will also be available at the check in table. Next, find an unoccupied flag next to the prairie. This is your family's home base for the program. All flags will be spaced out appropriately.

The program will start with a brief interactive presentation followed by family activities. Dress for the weather. Programs are conducted outdoors! If you have any questions please contact Faith Community Pathways Activity Coordinator, Dena Baule at faithchurchdena@gmail.com.
